

We have just published two new Case Management for Job Ready Individuals (CMJ) Webi reports.

1. The **RP740R W-2 CMJ Length of Stay Detail Report** is a weekly detail report located in the W2 Monitoring folder. This report lists details related to a CMJ participant's placement including the number of days in the placement, whether a valid EP exists, the current activities and scheduled hours. The information is delineated by the number of days in the CMJ placement (<31 Days, 31-60 Days, and >60 Days) as well as by Balance of State, Milwaukee and Statewide.
2. The **W-2 CMJ Length of Stay Monthly Report** is a monthly summary report located in the W-2 Placement folder that is in the W-2 folder. This report is also broken out by BOS, Milwaukee and Statewide, but gives a high level view of the length of stay of participants in the CMJ placement (<31 Days, 31-60 Days, and >60 Days). This report is drillable down to the pin level.
